Purchasing SKILCRAFT® Ice Melt from Bosma Enterprises fulfills the required source provision of the Javits-Wagner-O'Day Act and FAR 8.7.

FAST. POWERFUL. SAFE. CONVENIENT.

Bosma Enterprises offers customers the most effective ice melt available. Whether it's the special coating that promotes superior melting and contains powerful corrosion inhibitors that reduce damage to ferrous metals or the four-way blend of sodium, potassium, calcium and magnesium chlorides, you can be confident in your decision to buy SKILCRAFT® Ice Melt.

It's fast.

Our specially-designed, angular, blue granules melt on-contact and cover more ground.

It's powerful.

Our super-powerful formula melts right through ice, even on the coldest winter day (effective all the way down to -16 F).

It's safe.

You don't have to worry. Our Ice Melt is safer for the environment.

It's convenient.

Our Ice Melt is conveniently packaged in a stackable, recyclable carton with a removable liner, and now available in 50 lb bags.
